

Two Days That Could Change Everything!

ORTHODONTIC EXCELLENCE & TECHNOLOGY IN-OFFICE PROGRAM

Dr. John Graham

Dr. Dave Paquette

Huntersville & Mooresville, NC
April 12-13, 2019

Salt Lake City, UT
October 25-26, 2019

You've heard the buzz. You've wondered if it's true. See for yourself.

Join Dr. John Graham and Dr. Dave Paquette (and their teams) as they open their orthodontic offices and share how to effectively integrate today's hottest technologies and clinical applications, including the ground-breaking *SAGITTAL FIRST™* treatment philosophy.

In An Interactive, Small-Group Setting, You'll Experience:

- Over-the-shoulder, live patient clinical demonstrations (including soft tissue finishing!)
- 3D imaging technologies for optimal diagnostics, planning, and proven clinical results
- How to successfully incorporate obstructive sleep apnea patient screening, testing, and treatment
- *SAGITTAL FIRST* Philosophy in action, averaging 12 months or less treatment times
- "Attach-Less" *SLX™* Clear Aligners, today's most patient-friendly, aesthetic-focused aligner solution*
- Hands-on, interactive training with *SLX 3D™* Brackets, *MOTION 3D™* Appliances, and more
- Industry leaders operating effectively and efficiently in their own practices

DR. JOHN GRAHAM received his Bachelor of Science degree from Brigham Young University. He received his dental degree from Baylor College of Dentistry in Dallas, TX, and then received his medical degree from the University of Texas Southwestern Medical School. After medical school, Dr. Graham completed an internship in general surgery at Parkland Memorial Hospital followed by training in oral and maxillofacial surgery. Following his surgical training, Dr. Graham received his certificate in orthodontics from the University of Rochester/Eastman Dental Center in Rochester, NY. Dr. Graham is one of only a few orthodontists in the United States who is also a licensed physician.

Dr. Graham is a US patent holder, has co-authored several orthodontic textbook chapters, and has written many professional journal articles. Dr. Graham holds faculty appointments at the University of the Pacific, Arthur A. Dugoni School of Dentistry, and the University of Rochester, Eastman Institute for Oral Health. Dr. Graham is a member of numerous professional organizations and is a contributing editor for the Journal of Clinical Orthodontics, OrthoTown, and a reviewer for ORTHODONTICS The Art and Practice of Dentofacial Enhancement. Dr. Graham is a past-president of the Arizona State Orthodontic Association.

DR. DAVE PAQUETTE received his dental degree from UNC School of Dentistry in 1979 and a Master's in Pediatric Dentistry from UNC in 1983. His Master's thesis won a national research award that same year. He is board certified by the American Board of Pediatric Dentistry. He obtained his Master's degree and specialty certificate in orthodontics from the St. Louis University in 1990. Dr. Paquette's Master's thesis in orthodontics won the coveted Milo Hellman award in 1991. He is an active member of the Schulman Group. Dr. Paquette is passionate about advancing the art and science of orthodontics. He has published numerous articles and lectures nationally and internationally. Dr. Paquette maintains a private practice in Charlotte, NC.
